

# Details of Financial supplies- printed paper tape

Our PE coated Kraft paper tape, the width, Inner Diameter and length can be customized. The outer layer of paper tape is Kraft paper, and the inner layer is coated with PE, kind of like wax. As a matter of fact, the wax is natural glue. With hot temperature heat, the tape will be joined.

Our Kraft paper has three different type, 80gsm, 70gsm, and 65gsm, then coated with 25gsm PE to finish the production. Our paper factory was located in Anqing city Anhui Province in China, we sincerely welcome our partners to have a visit.
